Tax Season Winding Down to a Close

Dover, Del. – As a reminder to Kent County property owners, tax season is coming to a close, September 30, 2020. To avoid long lines that could compromise social distancing orders, and penalties, please be aware of your timing if you need to pay in person. For our residents' convenience, Kent County now has two drop boxes that can be used to drop off payments. The first is at the back of the visitor's parking lot on the south side of the County Complex, and, a second dropbox has been permanently installed next to the visitor's entrance, where the paramedic's truck used to sit. As a warning, if you wait until September 30, there may be longer wait times in the lobby.
