For Immediate Release

Live Christmas Tree Pickup for Kent County Garbage Collection Districts With Yard Waste Service

Dover, Del. - Live Christmas tree pickup is delayed due to last week's snow events. We have extended the service time through the week of January 24-28, 2022 to ensure everyone receives service. Customers who have trees at the curb now should leave them there, and they will be picked up as soon as haulers are able to retrieve them, otherwise they will be picked up on your regular service day.

Trees **SHOULD NOT** be placed in the yard waste can. They should be placed at the curb with all decorations removed.

Artificial trees can be discarded as a bulk pickup on your regularly scheduled trash day.

If you have questions, please call our office at 302-744-2430.
