Our Mission:

The Goal of the Kent County Emerging Enterprise Development Center is to provide early stage entrepreneurs with affordable Professional Business Office Rental Space in a collegial supportive and nurturing environment that assists in growing business, developing and honing business skills, implementing and tailoring business plans, and establishing professional networks and client bases to ensure future success.

Tenant Leases are short term by design and tenant businesses will be encouraged to advance from the KCEEDC once they are no longer in need of incubator support.

Semi Private Work Station \$225/Month

Professional Desk Space \$175/Month

Business Desk Work Space \$125/Month

Weekly Share Space \$ 75/Month

Success Awaits

How to Apply

All prospective Tenants shall meet with the Incubator Manager to discuss qualifications and initiate the application process. To arrange a meeting please contact:
