

KENT COUNTY LEVY COURT
US 13 SEWER REHABILITATION PROJECT
PROJECT NOTIFICATION #3

08-04-19 Notification / Temporary Traffic Disruption & Garden Lane Closure Extended

The temporary closure of Garden Lane will be extended for two additional weeks and will continue to detour traffic to Lakeview Drive. Beginning Sunday, August 4, a temporary lane reduction will begin on the northbound side of US 13 between the intersections of Townsend Boulevard and Leipsic Road for six weeks (weather permitting). During this time, the following activities will occur:

- Southbound U-Turn lane just south of Jefferic Boulevard (See T3 below) will be closed
- Northbound left turn at Lepore Intersection will have limited night closure (see T4 below)
- Northbound U-turn South of North State Street will remain open (see T5 below)

T1	Garden Lane from DuPont Highway to the eastside Chatham Cove Entrance
T2	Northbound Left Travel Lane near Townsend Boulevard Intersection
T3	Southbound U-Turn South of Jefferic Boulevard
T4	Northbound left turn at Lepore Intersection
T5	Northbound U-Turn South of North State Street Intersection

If you have any questions, please call the dedicated project phone number at **(302) 318-1139** or email project.outreach@kci.com. The main information source will be the County's website, located at: <http://www.co.kent.de.us/sewerproject>. You can sign up for the project notification email subscription system by submitting the completed form found on the website. This allows the community to stay informed in a timely manner by receiving project notifications directly via email.
