**Addendum to Application:  
Administrative Approval for a Professional Office**

**Application Number:** \_\_\_\_\_

This Addendum outlines the applicable sections of Kent County Code, Volume II, Chapter 205, Article XXII, as amended, defining and regulating the operation of a **Professional Office** within the residential districts of the unincorporated areas of the County. All applicants are required to comply with the following conditions of approval, as applicable, in the operation of a home occupation.

**§205-366(C) General Provisions**

**Professional Office** is defined as the rooms, studio, office or occupational service area of a doctor, dentist, lawyer, musician, artist, architect, writer, clergyman or similar professional person. Conditions for approval of a professional office are as follows:

- (a) The owner/operator shall secure a zoning certificate of use for a professional office from the Department of Planning Services, Division of Planning.
- (b) Such use shall be conducted entirely within a dwelling which is the bona fide residence of the principal practitioner, or in a detached accessory structure.
- (c) No detached accessory structure shall be used for a professional office unless it meets the principal structure setback requirements for the district.
- (d) Not more than 45% of the total floor area of the dwelling shall be devoted to office use; such use shall not alter the residential character or appearance of the dwelling or premise. If an accessory structure is used for a professional office, the square footage devoted to office use shall not exceed 45% of the floor area of the principal dwelling.
- (e) There shall be no increase in the use of any one or more utilities (water, sewer, electricity, telephone, refuse, etc.) to the extent that the combined total use for the office and dwelling exceeds that for an average residential use in the area.
- (f) The professional office use shall create no noise, dust, vibration, smell, smoke, glare, electrical interference, fire hazard or any other hazard or nuisance to any extent greater or more frequent than that usually experienced for an average residential use in the district where located.
- (g) Medical facilities shall have no more than two nonprofessional nonresidents employed to assist the principal practitioner. Nonmedical facilities shall have no more than one nonresident employed.
- (h) There shall be no display of as-bought goods or advertising of services on/from the premises, and the only exterior evidence of the use shall be an exterior sign as provided in Article XVIII.

- (i) The need for parking generated by such use shall be provided at one space per 200 square feet of use, located off-street and prohibited in the required front yard.
- (j) The sale of goods not produced on the premises shall be prohibited.
- (k) The following are to be considered as appropriate for professional office uses:
  - [1] Auditor.
  - [2] Adjuster.
